Effects of 2018 Osaka Earthquake

We would like to express our heartfelt sympathy to everyone affected by the earthquake that struck northern Osaka Prefecture on the morning of June 18, 2018. We hereby inform you about the earthquake's effects on MEC Company (headquarters: Amagasaki, Hyogo; President & CEO Kazuo Maeda) as follows.

1. Status of employees

There were no injuries or fatalities among MEC's employees.

2. Status of production bases

The situation regarding our production bases in the Kinki region is as follows.

- MEC's Nishinomiya Factory (Nishinomiya, Hyogo)

There is no effect on our buildings and production facilities. We are carrying out production as usual.

- MEC's Amagasaki Factory (Amagasaki, Hyogo)

There is no effect on our buildings and production facilities. We are carrying out production as usual.

3. Logistics

Although there is no effect on our shipments, they may be delayed depending on the road conditions.

4. Impact on business performance

We believe that the impact of this earthquake on our performance for the current consolidated fiscal year is minimal at this time.
